## Welcome back

Welcome back to Term 3. We hope you all had a lovely holiday and are well rested and ready for a very busy term.

Please find attached our Term 3 Planner but please check the Calendar of Events in the newsletter each week, as sometimes dates change and things are added.

## Jump Rope

On Monday, a Jump Rope for Heart instructor will be visiting our school to go through some skipping skills with all of the students. He will also be giving us a demonstration of how the professionals do it!

During the last week of this term, all of the students will be involved in Jump Rope for Heart which is run by the Heart Foundation of Australia.

This year sponsorship forms have not been sent out, but if your child/ren wish to raise money for the Heart Foundation, please contact the office and we can arrange to have a sponsorship form sent home.

**Students are to wear their sports uniform on Monday.**

## Tennis

Just a reminder that tennis will be starting next Thursday. Your child will need to wear their sports uniform on Thursdays as well as Tuesday and Friday each week.

There will be no cost for tennis coaching as we have been fortunate enough to secure funding from the Sporting Grants Program which will cover the cost of coaching.

## YSS Concert

Yesterday we hosted the students from Bribbaree, Maimuru, Murringo and Wombat for concert practice. All of the items are coming along really well. Thank you to Sharyn Boldrini for organising a delicious lunch and thank you to Emma Cockburn to helping serve lunch to the many hungry children.

We only have one more practice with the other schools before the YSS Concert which is being held on Wednesday, August 3<sup>rd</sup> at the Young High School commencing at 6.30pm.

Our next practice is being held next Wednesday at Maimuru. If you have not returned your permission slip, can you please do so on Monday. The lunch orders had to be returned by today. Please do not send in lunch orders next week. If you have not sent in a lunch order, your child/ren will need to take lunch with them.

Tickets for the concert are \$7 each per person with children aged 5 and under free. You can purchase your tickets on the night or you can purchase them from school.

All students will need to wear black pants and a black top.

The infants play requires the students to wear a costume which can be put on over their black clothes. Can you please ask your child what they will be and please keep the costume simple. Try and find things from home so that you don't have to spend too much money. If you are having problems with their costume, please let us know.

## PDHPE

Our school's PDHPE program covers a wide range of education matter, including relationships, drug use, human sexuality, child protection, fundamental movement skill development, safety and physical activity. Some of the content of the program deals with sensitive issues. The school recognises this by teaching about these issues within the context of a developmentally appropriate program.

The PDHPE program aims to encourage students to make informed decisions about their lifestyle taking into account the values of the family, culture and religion to which they belong. The school program will be implemented in a manner that supports the role of the parents and caregivers, and reflects the ethos of the school community.

We will be looking at:

Personal Health Choices  
Growth and Development  
Child Protection Education

The school is required to inform parents and caregivers of the content of the curriculum as it deals with sensitive issues. If you have any issues or concerns, please contact the school.

## Bookclub

Please find attached the latest issue of Bookclub.

All orders need to be returned by Friday, 5<sup>th</sup> August.

If you are unable to help with working bees, and other P&C/school functions, this can be your way of helping raise money for our children.

You can send your contribution in to the office.

## P & C News

### Term Contributions

The P & C would like each family to pay a voluntary contribution of \$10-00 per family per term. This goes towards purchasing prizes for raffles, which in turn, raises money for our school.
