IGA Fun Day

Primary Debating – Murringo

As mentioned in last week's newsletter, we no longer need parents to drive the primary students to and from Murringo. Thank you to those that did offer though.

Greenethorpe School will be picking us up on their way to Murringo. This will cost \$5 per student and we need to give the money to the bus driver on the day.

Please send in \$5 per student to cover the cost of the bus. There is an envelope attached to return your money in.

Book Week

Just a reminder that our Book Week Dress Up Parade is on this coming Monday.

We can't wait to see how wonderful the costumes will be this year.

Parents, families and friends are invited to come along and watch the parade. It will start at 9.30am.

Sydney Excursion

Good news for parents of students who will be going on the primary Sydney excursion!!

The total cost of the excursion is \$610 but due to the generosity of the P&C and school, donating \$100 each

towards each child, the final cost for the excursion will be \$410 per child.

If possible, we would still like payment by the end of this term.

Lunch Orders

If you have not returned your lunch order for Primary Debating Training in Murringo on Tuesday, or for the Greenethorpe Science Day excursion, **please do not sent it in on Monday.**

Numbers had to be back to Murringo and Greenethorpe today.

IGA Fun Day

The IGA Fun Day is being held on Saturday, 9th September. We have been asked if our marimba players, who played at Cherry Jam, will perform on the stage in the car park.

Can you please indicate on the attached Expression of Interest whether your child will be able to perform or not.

School Photos

School photos are taking place on Wednesday 13th September. Please find attached an envelope for each child.

If you would like family photos (siblings at school only), please contact the school and we will send a family envelope home.

All envelopes, with the money enclosed, are to be returned to school on or before photo day.

NAPLAN Online

Planning has begun to move NAPLAN from a pen and paper assessment to an online assessment. Our school will be participating in a school readiness test next week and will involve students in Years 3 and 5.

Attached to this newsletter is a fact sheet for your information.

Infants Science

In last week's newsletter, there was an article about what the infants students are looking at in Science this term. There was also an activity sheet attached for the children to complete at home during the week so that we could work on the findings in today's lesson.

Unfortunately we only had two activity sheets returned so we were unable to complete this activity today.

On the odd occasions that these types of activities are sent home, it would be appreciated if as many students as possible participate.

The students look forward to sharing their information and are disappointed when they are unable to do so.

P & C News

Canteen

Please find attached a canteen order form for Monday, 28th August. Please return this form by Friday, 25th August if your child would like to order lunch.

IGA Fun Day

IGA has asked if we would like to hold a Cake Stall at the IGA Fun Day being held on 9th September 2017.

We would like donations of cakes, slices and biscuits to sell on the day.

We would also like some help selling the cakes.

Can you please fill in the attached form and return it to school.

Contributions

The P & C would like each family to pay a voluntary contribution of \$10-00 per family per term. This goes towards purchasing prizes for raffles, which in turn, raises money for our school.

If you are unable to help with working bees, and other P&C/school functions, this can be your way of helping raise money for our children.

You can send your contribution in to the office.
