## YSS Swimming Carnival

Well done to our primary students who all participated in the YSS Swimming Carnival held on Tuesday.

Everybody tried their best and even had a go at swimming strokes not familiar to them.

Congratulations to Daniella Cummins for winning the runners up medallion for Senior Girl Champion.

Daniella and Elizabeth Cockburn will be representing the small schools at the District

Carnival being held on Friday 28 February.

Well done girls for making it to the next level and we wish you both the best of luck.

## STEM

During the first week of school, students got together with their buddy for STEM activities.

The design brief was to make the highest tower that they could that would stand independently.

They had lots of fun problem solving to build their tower.

These are their finished products.

## Personal Details Update

If you haven't already done so, can you please return the Personal Details Update form which was sent home with the last newsletter.

It is very important that we have your latest contact details and emergency contact details in case we need to contact you if your child becomes sick or injured.

## Uniform

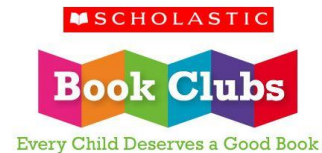

We will be placing an order for school coats in early March so that your child will have them for the beginning of Term 2.

We do not keep a supply of new coats at school but there are a couple of second hand ones.

If your child requires a new coat, can you please fill out the order form attached and return it to school no later than Friday 28 February.

## Bookclub

Please find attached to the newsletter, the first Bookclub Issue for the year. Orders are due back by next Tuesday, 17 February.

## Healthy Lunch Box

Cancer Council NSW is here to help you kick start the year easily, packing healthy lunch boxes your kids will enjoy. Developed by dietitians [healthylunchbox.com.au](http://healthylunchbox.com.au) is a one-stop shop for everything families need to know about packing a healthy lunch box.

Here's what you will find:

- an interactive lunch box builder that helps parents and kids plan and pack a healthy lunch with foods they like
- the ability to filter recipes based on diets, easy to freeze and prep time
- lots of quick and easy recipes and snack ideas
- regular healthy eating blogs

## P & C News

## Term Contributions

The P & C would like each family to pay a voluntary contribution of \$10-00 per family per term. This goes towards

purchasing prizes for raffles, which in turn, raises money for our school.

If you are unable to help with working bees, and other P&C/school functions, this can be your way of helping raise money for our children.

You can send your contribution in to the office.

## Community News
